

D Day - This day is solemnly observed on June 6

On this historic day in 1944, Allied troops invaded the beaches of Normandy, France. It is the largest amphibious assault in world history. This massive, bloody battle was the turning point of the war in the European theater.

On this day, 156,000 troops from the United states, Great Britain and Canada stormed five beaches. American troops landed on Omaha and Utah beach. At the same time, British troops landed on Gold and Sword beach. And, Canadian forces landed on Juno Beach. 4,000 Allied troops died on these beaches on D-Day, 2,000 of them were American.

Please take a moment of silence today, and thank the many soldiers who fought and died for our country on D-Day.

National Doughnut Day, Always the **first Friday in June**, honors the Salvation Army "Lassies" of WWI. It is also used as a fund raiser for needy causes of the Salvation Army. The original Salvation Army Doughnut was first served by Salvation Army in 1917. During WWI, Salvation Army "lassies" were sent to the front lines of Europe. These brave volunteers made home cooked foods, and provided a morale boost to the troops. Often, the doughnuts were cooked in oil inside the of the metal helmet of an American soldier. The American infantrymen were commonly called doughboys. Salvation Army lassies were the only women outside of military personnel allowed to visit the front lines. Lt. Colonel Helen Purviance is considered the Salvation Army's "first doughnut girl". On National Doughnut Day, look to see if your local doughnut shop, or other organizations, are offering free donuts to solicit donations for the Salvation Army or for another needy cause. If you find them, please be generous.

Did You Know? The official dictionary spelling of the term is "Doughnut", and is most often seen in print. The word "Doughnut" is often shortened to "Donut".
